We hope that you will consider enrolling your child into the Epping Recreation youth programs for this upcoming fall session. For over twenty years the Epping Recreation Department has operated a variety of successful programs for Epping students. We currently run year-round programs during out-of-school hours for Epping elementary youth. We provide a safe, nurturing place for children to attend quality programming beyond the schools' hours of operation. For the fall of 2010 we have a variety of programs planned. The before and after school programs at the Elementary School will be for children kindergarten through 5th grade. There are a limited number of openings each day, in the morning (6:45-8:20) we have space for 20 participants and in the afternoon (3:00- 5:30) we have space for 35 participants.

***At this time we are only accepting registration for the youth attending the elementary school age program
Details about the middle school program (Avenue A.) soon to follow!***

Registration for the Elementary Programs will start on **Monday, July 26th**

Sign up for five, four, three or two days per week for both the before and after school programs.

At this time we are very limited with assistance we have available, please check the box on the Enrollment Form if you are planning on applying for assistance through the Recreation Assistance Fund or Child Care reimbursement through the State of New Hampshire.
